

## August Lyster

Copenhagen, Denmark, +45 50499559, [August.lyster@gmail.com](mailto:August.lyster@gmail.com), [augustlyster.com](http://augustlyster.com)

**PROFESSIONAL PROFILE** Analytical and curious BSc Business Administration and Information Technology student at CBS with strong interest in AI, data analysis, and process automation. Experienced in developing and optimizing data workflows using Python and SQL, and in turning complex data into actionable business insights. Passionate about applying AI and automation to improve decision-making and create value across business functions, for example by pitching an IT project to Joe & the Juice's CTO
